# City of Coon Rapids

## Water Restoration Information Sheet

The City of Coon Rapids shuts off water to properties that are either un-occupied or without utilities. You have requested that water be turned back on at one of these properties.

***It is unlawful for someone who is not an employee of the City of Coon Rapids to turn water back on to a property. City Code Section 13-215.***

**Do not schedule this inspection if the home is without heat!**

Please follow the instructions below for getting water restored to this property:

1. Complete an application for a Water Restoration Inspection. This form can be obtained at the City Hall Inspections desk or at <http://www.coonrapidsmn.gov/departments/Development/Water%20Restoration%20Permit.pdf>.
2. Submit completed application, along with \$75 inspection fee to the Building Inspections Department. Cash, check or charge can be accepted at City Hall, or you can fax (763-767-6573) in the credit card verification form located on our website: <http://www.coonrapidsmn.gov/departments/Development/pdfdocsimages/creditcardauthorization.pdf>.
3. Schedule your inspection appointment with the Building Inspections Department when you submit your application and fee. If you are faxing, please call 763-767-6476 to schedule your appointment.
4. Inspections are often available for later that same business day or the following business day, depending upon availability.
5. Meet the Inspector at the house for the inspection – this is required. **No lock boxes can be used to gain entry for Water Restoration Inspections.**
6. **If the inspection passes**, the Inspector will attempt to turn the water on during this same visit. If he is unable to turn the water on at the curbstop (buried under snow and ice, inoperable, unable to locate), you must wait until the next business day and call 763-767-6438 to schedule Public Works to come out to the property with additional equipment and turn the water on. They will be scheduled to come out to the property as soon as their availability allows, but could be 1-2 business days from the date of your original inspection.
7. **If the inspection does not pass**, follow the instructions on the blue sheet that the Inspector leaves with you regarding what work needs to be done or what permits need to be pulled before water can be restored at this property.

## CREDIT CARD AUTHORIZATION FORM

Please use this form to authorize payment by credit card for permits from the City of Coon Rapids' Inspection Division.
