SUPER SENIOR CLUB
NEWS FROM THE PRESIDENT

Spring is here and we are happy for that! I have pansies blooming in the rocks around the planter they grew in last year. I hope you have had your Covid vaccine shots and that you feel safer, as we venture out more, still wearing masks and being careful.

I am happy to hear from several of you that you enjoy reading my letter in each newsletter. I have an unbelievable story to share with you this time. My daughter, Rochelle, was in Hawaii for six weeks and sent me a box of chocolates with caramel and macadamia nuts for Valentine’s Day. I got the mail that day and the candy was frozen. I took out two pieces to thaw and called Rochelle to thank her. We talked a long time and the candy thawed. I ate one and told her it was “delicious”. We hung up and I put the second piece in my mouth. As I was chewing it I could tell there was something in the candy that should not be there. It turned out to be a piece of wire about 1/3 inch long. I was furious and called the number in Hawaii on the box of candy. They were closed and luckily I did not leave an angry message.

I laid in bed that night thinking about that wire and I remembered the crown had come off a tooth way in the back a few years ago. We decided to cut the wire that stuck out from the root canal and leave it. The caramel in the candy had pulled out the wire from the root canal. I called the candy company to tell them this weird story. I just saw the dentist and we have to remove the root of that tooth canal now. The wire left a space that goes right to my sinus and if I would develop an infection near that tooth it would be bad news. I guess all’s well that ends well, right!

I hope that we will be together at the senior center this summer. Some groups are starting back in May and we hope for more later in the summer! We are missing many “senior moments” with each other and we want to catch up on news. In the meantime, enjoy all the beauty of Spring!

Bernice Olson, President
