2022 offers a great opportunity to enjoy the outdoors!
The trend toward outdoor activity, which grew during the pandemic, continues into our upcoming recreation season. Residents of Coon Rapids proved to be creative in playing outside and using our great park and trail system. We look forward to continued use of our many park amenities like shelters, pickleball courts, splash pad and trails. With 50 parks and miles of trails, there is room for everyone to get outside and get active!

Coon Rapids has an abundance of public and private recreation agencies just blocks from each home. Whether you’re active in athletic associations, school programs, senior programs or private businesses, all are here to serve the residents of Coon Rapids.

Our recreation team works hard to create programming and events that offer fun and active opportunities throughout the year. This year we continue our popular RevSports and Pickleball offerings, expand our Rec on the Spot program and offer returning favorites that we know the community enjoys.

If you have an idea or opportunity for community recreation that is missing in Coon Rapids, reach out to our team. We hope to see you out at our programs and events this year!

We look forward to seeing you!
