\$100
each **TREES**

Trees sold in a #10 container, about 6 feet tall

ORNAMENTAL TREES

Crabapple "Gladiator"

Mature height: 15-20 ft
Hot pink flowers in the spring and glossy bronze-purple leaves throughout the growing season.

Redbud

Mature height: 20-35 ft
Should be planted in protected areas in Minnesota. Pea-like flowers borne before leaves appear in spring. Good small tree.

TREES AND SHRUBS INFORMATION

Tree and shrub prices include tax and delivery. Deliveries will be sent to the address that is submitted on your order form the week of May 1st and placed in a shady area by your house. All plants delivered will arrive in healthy condition, however, survival is not guaranteed by nurseries.

While ordering you will be required to watch a [short video](#) on planting containerized trees. It's encouraged that residents view and download the [Tree Owner's Manual](#) for proper care.

Prior to digging, have the underground utilities located by calling Gopher State One Call. Call at least two business days in advance or submit your request online at gopherstateonecall.org

SHADE TREES

Hackberry
