## Part I Form #1

Dear Applicant:

Thank you for your interest in obtaining a liquor license in Coon Rapids. All application materials must be completed before your application will be processed. Upon receipt of your completed application, the Police Department will conduct an investigation. You may be contacted by an investigator to answer questions or expand on any information provided in the questionnaires.

After the investigation is completed and a report prepared, the license request will be presented to the City Council at a regular meeting for consideration. City Council meetings are held the first and third Tuesday of each month at 7:00 p.m. in the Council Chambers at City Hall. You will be notified of the date your application will be considered and are welcome to attend the meeting. Depending on the length of the investigation and the timing of the Council meeting, the process will take several weeks to complete.

Attached are the forms you will need to complete. A checklist of all required materials is included to assist you in preparing your application. A copy of the City Code regarding liquor licenses can be viewed on the City of Coon Rapids website: [www.coonrapidsmn.gov](http://www.coonrapidsmn.gov).

All fees are due when the application is submitted. In addition to the license fee, a non-refundable investigation fee is required. **The fee for an in-state investigation is \$500.** Should the investigation extend outside the state and require additional time, the actual cost of the investigation will be billed (MS§340A.412). In the event your license is denied, any costs expended to conduct the investigation will be retained and the annual license fee will be refunded.

In addition to licensing, establishments must comply with local zoning regulations. Please contact the Community Development Department at 763-767-6430 to discuss these requirements.

If you have questions about the forms, regulations or the process, please feel free to contact me at 763-767-6432.

In connection with your application for a license, you are being requested to provide information regarding your criminal and financial background which may be classified as public or private data under the Minnesota Data Practices Act.

The purpose of the information requested in the application is to provide data for the investigation of license applicants required by City Code.
