4. All players' names must be printed or typed in addition to each player's address, home and daytime phone number.
5. An official roster is required on the day of your first game.
6. No additions will be allowed after games start.
7. The maximum number of players that may be on the roster is 20.
8. In the event that a team disbands before the scheduled games are complete, all the remaining games will be credited to their scheduled opponent. No refund will be made.
9. The Parks & Recreation Department reserves the right to place teams in leagues or divisions where there will be equalization of competition and/or allow teams opportunity to play.
10. ALL PLAYERS MUST BE ROSTERED AND HAVE COMPLETED ALL NECESSARY WAIVERS.

Manager's Duties

1. Make sure you have a full team and at least one reserve for every game.
2. You, the manager, must handle any dispute. Do not let one of your players face ejection by arguing a call.
3. You are responsible for taking charge of your team’s and your spectator’s conduct. Abusive language, intoxication, smoking, litter and other irresponsible acts will not be tolerated.
4. Any schedule information, changes or other league information will be communicated to you. Make sure we have your current mailing and email address for the current season and next year. It is your responsibility to pass the information on to your players.
5. Know the rules. Tell your players the rules. This will help the game run smoothly and help your team concentrate on playing.
6. MANAGER RESPONSIBLE FOR TEAM COMPLIANCE WITH ALL COVID-19 POLICIES, if needed.

League Rules

1. All games are to be played at Sand Creek Park 1-4 or 5.
2. Games are scheduled at 6:15, 7:15, 8:15, and 9:15 p.m.
3. Time Limits: No new inning will start after 55 minutes of play. Tie games end at the time limit. A minimum of 3 1/2 innings is required for a regulation game.
4. Run Rules
   a. Run Rule: If a team is ahead by 15 after 4 or 10 after 5, the game is over.
   b. Flip Flop Rule: When the run rule has been reached by the visiting team by the end of the inning prior to the run rule going into effect (15 after 4, 10 after 5), the home team clears the bases at the end of that inning and starts the next inning by continuing to bat as the visiting team. Play continues, as it normally would with run rules in effect. If the situation reverses, the teams would flip-flop again.
5. **Home Run Rule**
   All Men’s leagues have a 4 homerun limit. Any other ball hit over the fence between the foul lines (except when touched by a fielder) after the home run limit is reached shall be declared an out.

6. Home team is responsible for keeping the official scorebook. This is important when protests occur, when games are halted by official, when score disputes arise, or when batting line-ups are questioned.

7. **3:2 Rule** - 3:2 Rule will be in effect for all games - three balls, two strike count with NO courtesy will be used. **Foul strike two is an out and dead ball. Runners may not advance.**

8. **Double First Base** - A double first base is used for league play. Any batted ball hitting the white portion is fair and any batted ball hitting the orange portion is foul. On the initial throw to first base the batter-runner must touch the orange portion of the base. The defensive player must touch the white portion of the base. This is in effect only on the initial play at first base and does not include:
   A. Returning to the base after over running.
   B. Running on a base hit to the outfield (runner may touch white or orange portion).
   C. Retag to advance on a fly ball.
   If the batter-baserunner is called safe for the initial play at first base but missed the orange base, the defensive team can appeal. To appeal, the defensive team must alert the umpire that they are appealing the runner at first and either legally tag the runner before the runner returns to first base or legally hold the ball on first base before the runner returns to first. The defensive team may also appeal after the umpire signals “play ball” but before the first pitch is thrown to the next batter. The pitcher must make a verbal appeal announcing which runner and which base they are appealing.

9. A legal game may be played with 8 players. The 9th & 10th player may be added at any time. When players are added they shall be placed at the end of the lineup. A double forfeit will be declared if neither team has 8 players.

10. **Open-end lineup** - Free substitution will be in effect for all games. Teams may bat no more than 20 rostered players. Batting line-up length may be 8 to 18 or everyone. Any drop in the original batting line-up length may result in an appealed out. There is no automatic forfeiture unless a team drops from eight to seven players. Teams must announce their batting line-up length to the opposing team and umpire at the beginning of the game.

11. **Courtesy Runners will be allowed once per inning. The pinch runner may be any player on the bench. If the pinch runner is still on base when they are to bat, they are out.**

12. All runners must get down or out of the way on close plays at any base except for first. If the base runner does not get down or out of the way, he/she will be out and/or called for interference.

13. No digging in Batters Box. Warning, then Strike to the batter.

15. **Each team should carry their own first aid kit.**

16. **Infectious Disease Control Rule** - A player, coach or official who is bleeding or who has blood on their uniform shall be prohibited from participating further in the game until appropriate treatment has been administered. Appropriate treatment is:
   A. Bleeding has stopped
   B. Injury is covered
   C. Uniform changed or disinfected with acceptable disinfectant*
   D. Competition area/equipment disinfected with acceptable disinfectant
   If treatment can be administered within three minutes, the individual would not have to leave the game. Otherwise, substitution of the individual must take place.

   1. A solution of ¼ cup of sodium hypochlorite and one gallon of water
   2. A solution of ¼ cup of 70% isopropyl-alcohol and one gallon of water
   3. A commercially produced infectious disease spray.

- Men may not pinch-hit or courtesy run for women.

3. To protest a non-judgement call, the intention to Protest a Rule must be made known by the Manager or Captain of the Protesting Team to the Umpire immediately and before the next Pitch is made to the batter. This is to enable all concerned, umpires, scorekeepers and the opposing team to take notice of the exact conditions prevailing on the field at the time of the protest.
4. If protesting eligibility, have that player sign the scorecard before the final out of the game.
5. A protest with a written report of your protest must be filed at Coon Rapids Parks & Recreation Department by noon of the next working day.
