

- » Open air shelter for existing outdoor ice rink (A)
- » Indoor playground, multipurpose meeting and party space and additional locker rooms (B)
- » 3 full court performance gyms (can be divided into 6 practice courts) (C)
- » Indoor walking track (C)
- » Fieldhouse with turf (D)*

*The Anoka-Hennepin School Board recently approved adding synthetic turf practice and playing fields at all five of its high schools. This decision may lend itself to a partnership opportunity between the City and the school district as it relates to the needs for turf space in the community, but these ideas are preliminary and no final decisions have been made.
